Are you looking for a great place to work this summer and make an impact for God?

Camp Otyokwah is a year-round camp ministry in north central Ohio. We offer youth and adults a fun, enjoyable experience where they can get away from the distractions of life and experience God in a new way. Quality staff are critical to making that happen. That is why we are searching for outstanding college age staff, who are growing spiritually and are emotionally mature, to make our camp the best possible.

We are looking for staff who:

- * Sincerely love the Lord and desire to see campers come to know and grow in Him.
- * Work well with others.
- * Reflect a good self-concept through appearance, behavior, and relationships with others.
- * Are teachable and flexible.

Each staff member is very important to us and we desire that they grow and mature in their faith as they serve others. We are committed to equipping and investing in our staff and love to see them excel as they take on new challenges trusting the Lord.

You will have **opportunities** to:

- * Have fun!
- * Experience authentic community
- * Impact others through service
- * Grow spiritually
- * Build deep, lasting friendships
