NOTHING WORTH
DOING IS EASY.

Marriage is not easy, but it is worth fighting for!

Otyokwah Couples Camp will be an adventure you won't forget. Let's make your marriage stronger while enjoying the outdoors that God has blessed us with. Spend two nights in a tent, disconnect from the troubles of your world, and reconnect with your spouse and God.

Ecclesiastes 4:12

Though one may be overpowered, two can defend themselves. A cord of three strands is not easily broken.

Many have used this verse as an analogy to marriage. The three strands are God, the Husband, and the Wife. Join us to strengthen your cord of three strands.

HOW CAN TENT CAMPING IMPROVE MY MARRIAGE?

When we are pushed beyond our **comfort zone** a lot of good things can happen. You will spend almost every walking minute with your spouse. As we get closer to our spouses, we will find that we are closer to God. We will have some great teaching and worship, and as that brings us closer to God, it brings us closer to our spouse.

OUR MARRIAGE IS FINE, WE DON'T NEED THIS.

What if your marriage was better than you can even imagine? Things could always be better right? We will give you the tools during your adventure to make your marriage stronger, no matter how great you think it already is.

HOW IS THIS THING GOING TO WORK?

Couples will be divided into campsites. Each campsite will have one **Lead Couple** and three to five additional couples. This group will be your small community group for the weekend.

Your campsite will get to know each other a little bit before camp. This allows you to plan meals as a team and determine what equipment you may or may not need. If you don't have a lot of camping gear, don't worry about it. **Just sign up!**

Otyokwah Couples Camp is for everyone. All churches and denominations are welcome and encouraged to attend.

The adventure runs Friday evening through Sunday afternoon. Only \$100 per couple.
